In Loosdorf in the Melk district, the existing „Green Logistics Park“ has gained another tenant. **GMS Gourmet GmbH**, specializing in catering, will operate a 4,510 m² refrigerated logistics area in the third building of the logistics park. The groundbreaking ceremony for building section III took place together with the project developers **F & S Real Estate Solutions GmbH** and **Schisernig Real Estate Investor**, as well as representatives of the local community. **Gourmet** plans to move into the additional warehouse by the end of 2026.
